President's Report

First up a couple of reminders:

1. This month's meeting is on **WEDNESDAY 17th May**. This is because we will be loading the trailer for the Somerset Dam trip on the Thursday night.
2. The Somerset Dam trip is on from the 19th to the 21st May. If you haven't put your booking into Daniel/Emma yet, I would suggest that you do so ASAP. Cost is as per the flyer that was emailed out on Wednesday 3rd May (also included in this newsletter). This is a great family weekend, especially for those members who don't have 4 x 4s to go on the beach trip, also because there is no night time boating allowed. We have a great time in camp around the fire so pack the kids and wife in the car and come join us but please book in with Dan/Emma.
3. At this month's meeting we will be having an open forum on what direction you want our club to go in the next 5-10 years so give some thought to the following questions;
 - If and How we should become more engaged in the wider Redlands community by running junior fishing clinics etc?
 - What is the primary use of the upstairs area? Is it just for us or should we upgrade it and promote it for function hire?
 - What future improvements/additions/upgrades do we want to do to the club house and grounds?

I urge all members to attend this meeting because it is your club. Don't sit back and miss the opportunity to give your constructive suggestions on the club's future direction. The management committee will use your ideas to develop a 5 year management plan so that future committees will have some ongoing direction to work with.

President's Report (Cont'd)

It's pleasing to see that the inshore competition numbers are still fairly high thanks to the good weather we've had and the weigh-ins are well attended although it was a bit disappointing to hear that no one stepped up to put a snag on the barbie in Matt and Megs absence at a recent weigh-in.

Well, that's about all for now. I look forward to seeing you at the meeting and hearing your ideas.

Danny.
